Subj: LETTER OF APPRECIATION

1. It is with pleasure that I convey my sincere appreciation to you for your outstanding dental service provided to CIMARRON crewmembers on 27 April 1992. Recognizing the inherent difficulty in transporting large numbers of personnel to the Branch Dental Clinic for routine exams, you brought dental services to the shipyard for CIMARRON.
2. As a result of your efforts, 45 T-2 exams were done and a complete review and verification of crew dental records conducted. Your assistance was the key to maintaining a high state of dental readiness on CIMARRON.
3. Your initiative, superb professional attitude, and conscientious examination technique reflect pride in your work and the highest standards of fleet support. Please accept my thanks for a job well done!
